AREAS YOUTH MUST MASTER

To Have a Successful Life

SAMALI JONAH

INTRODUCTION

There are things you can only do when you are a child, youth, or adult.

You play as child

You develop yourself as a Youth

You live as an adult

You rest in old age

If you're a Youth you have passed the childhood age. That means you are not expected to play any longer. If you are playing now you're abusing this season of your life.

Neither are you expected to live as you are not an adult yet or rest since you are not old.

As a youth you're in a season of building your life and future.

Are you really doing that?

Briefly I will be sharing with you on Ten areas you must build and develop yourself as a youth if you desires a fulfilled life.

1. SPIRITUAL GROWTH

Since you were not matured enough to learn how to pray, fast, study Bible, and live righteous as a child you must learn how to do that now that you are youth. Begin to learn them now so you can live them for the rest of your life.

Begin to practice them now so you can know God and walk with him early.

2. DISCOVER YOUR PURPOSE

Second area is self discovery. Who do you think you are and what do you think you are born to do on earth? Everything about you lies in fulfilling that purpose. The better time for you to discover that treasure is now that you are young so you can live it for the rest of your life. Discover it and find fulfilment.

3. EDUCATION

It's in youthful age you're expected to study all the studies you should study in life. That's when your brain is sharp and active. It will never be easier than now. Make sure you get all your certificates now!

4. FINANCE

Economically it's Very important you begin digging your financial wells now as a youth. If it's business start it now. If it's job apply now. If it's farming or investment begin it now. If you build that now you will enjoy it for life. You need to get a good source of income and that should be done now that you are young.

5. RELATIONSHIP

As it's often said, it's true relationship is assets. God never leave Adam alone. Why should you live alone? With good people around you, you can go far in life. Begin building relationship with people that will be a blessing to you now that you are young. Imagine the people you build relationship with them now become great tomorrow you know that you will also be partaker of the blessing. Connect with the right people that will influence you positively now so you can grow together with them to greatness than trying to connect with them when they succeed. That time it will be late and difficult. Build relationship with those ahead of you, your colleagues and your juniors also. all are important.

6. DEVELOPING SKILLS

There's no thought that we are in a generation of skills! There are many digital and physical skills that you should learn as a Youth. Take your time

now and learn one or two of each. They will pay you well as life goes on. Your certificates are not enough you need skills to survive. Don't joke with learning skills. It's Very important.

7. FASHION

As a youth, you should also learn a good passion outfits. Learn to dress well, and take good care of your physical outlook. Get good dresses and dress and look smart always . It matters.

8. PHYSICAL HEALTH

Don't joke with your health as a youth. Learn to live a healthy lifestyle from now. Eat well, eat healthy food and don't eat anyhow. be hygienic, rest once a while. check your health status often, treat any diseases you might have. Do exercise frequently and take care of yourself very well.

9. GOOD HABIT

Develop an ideal study habits, prayer habit, sleeping habit, eating habits, and other habits that can give you a fulfilling future. There's a way you should live your life to be productive in life. You can't live like everybody and expect a unique result. Find a good habit that will enable you achieve your life goal and live by them. That's how you can be successful in life.

10. SOUND CHARACTER

No matter how you develop your self in all the other areas. If you don't have a sound character you can't go far in life. Your success in life depends on your character. Get books and messages on character development study and apply them. they will help you much on that area. With sound character you will attract money, people, opportunities and success. Don't joke with character development. It's very important.

Wishing you all the best.
Samali Jonah.
